

MetroWest Boston offers fantastic tours for couples, from the romantic to the adventurous. We recommend the following as one amazing itinerary:

Couples Tour

DAY 1: Start your day with a romantic couples massage at **Spavia Day Spa** for the ultimate relaxation. Known for their luxurious spa experience, be sure to allow time to relax in their retreat room before and after your treatment in a fluffy robe, spa sandals and a warm neck wrap.

After your massage, take a wander through the exclusive brands found in the **Natick Mall**, ending at **LightMoon**. This whimsical candle bar will teach you to make your own custom natural soy candle, complete with a scent that's meaningful to you and enhanced with dried flowers, crystals, soy melts and other surprises.

While your candle is drying, head back into the mall for lunch. Try **Nori Sushi** for a quick bite, their sushi gets rave reviews. Or if you're more interested in a sit-down meal, **The Cheesecake Factory** is a fantastic American favorite with incredibly indulgent cheesecake.

Afterwards, meet up with Sara Sniderman of **Sara Sniderman Photography** for an on-location couples photo shoot. Sara can help you choose one of many unique destinations in the region, such as Sudbury's historic **Grist Mill**, Franklin's **Sculpture Park**, or the **New England Botanic Garden at Tower Hill**, creating an amazing keepsake of your holiday.

For dinner, enjoy the delicious cuisine of restaurant **3**, where the chef offers an innovative menu of popular American dishes—each prepared with a contemporary, creative twist—with a focus on freshness, quality and simplicity. In the evening, catch a theater, music or dance performance at **THE BLACK BOX** theater, known for bringing in both regional and national performers. Check in to the newly renovated rooms of the all-suite **Residence Inn by Marriott Boston Franklin** for a great night's sleep.

DAY 2: Explore the beauty of New England wildflowers at **Garden in the Woods** in the morning. A place visitors often describe as magical, the Garden's 45 acres were sculpted by retreating glaciers into eskers and steep-sided valleys, with a brook, pond, and wetlands that showcase native plants of the region. Wander the paths, say hello to the turtles and fish in the pond, and check the schedule for special talks and events.

Have lunch at one of the quaint eateries in the **Natick Center Cultural District** then wander the District's eclectic boutiques and galleries. End at **TCAN**, The Center for Arts in Natick, where you can catch a matinée performance of anything from opera to marionettes, stand-up comedy to serious theater, as well as a screening of a documentary, foreign or independent film, or a new movie release.

Cap off your romantic tour of MetroWest Boston with dinner at **The Melting Pot**. An intimate fondue restaurant that encourages great conversation and a leisurely meal, The Melting Pot is the ultimate couple's night out.
