

## 2026 MetroWest Regional Fan Zone Activation Partner Opportunity

### REGIONAL FAN ZONE OVERVIEW

The MetroWest Boston Visitors Bureau is leading a regional initiative to create a Fan Zone experience throughout MetroWest during the 2026 FIFA World Cup™. The Fan Zone will operate across multiple days and locations, bringing the excitement of the World Cup directly into several MetroWest communities.

Each Fan Zone will feature a watch party on a jumbotron surrounded by a festival environment including a beer garden, food trucks, vendors, interactive activities, and live entertainment.

Attendance is projected at 1,500–3,000 guests per day. Foot traffic will be driven through a robust marketing campaign including print, digital, and social advertising, the official Fan Zone Guide, media outreach, and out-of-home advertising (billboards, commuter rail trains and stations, etc.). The Fan Zone Guide will be printed and distributed in the Fan Zone, at hotels and through local partners. It will also be distributed digitally on the websites of the MetroWest Boston Visitors Bureau, Meet Boston, FIFA World Cup™ Boston 26, VisitMA.com, Discover New England, MetroWest municipalities and chambers of commerce, advertisers, regional hotels, additional partners and promoted through an ad campaign for total estimated impressions of 8.86 million.

### FAN ZONE LOCATIONS

#### **Marlborough**

The Marlborough Fan Zone will run **June 11–13 (Opening Weekend)**, showcasing four games at Kelleher Field's complex:

- June 11: Mexico vs. South Africa
- June 12: USA vs. Paraguay
- June 13: Haiti vs. Scotland (at Boston Stadium) and Brazil vs. Morocco

#### **Franklin**

The Franklin Fan Zone is scheduled for **June 25–26**. The Fan Zone will be located on the Franklin Town Common and at Hayward Manor, across the street. Featured games include:
